To view a presentation

Click on the lectures listed on the upper portion of the page. Click on the first slide (or select the one you want to view). You can then move through the slides by clicking on the arrows at the bottom of the page.

If you want to down load the file to print hardcopy.

- 1) Select the Lecture on the lower portion of the page that you wish to print.
- 2) One of two things should happen:
 - a) You will be taken directly to Power Point and the file will come up. You can print from here or “save as...” on a disk to print later. See printing directions below
 - b) You will be asked if you want to save the file. Save it to a disk then go to a Power Point 7.0 program and open the file.
- 3) To print from Power Point:
 - Select “File”
 - “Print...”
 - “Print What?”
 - Select:
 - Handouts 3 to a page
 - Handouts 6 to a page
 - Notes page
 - Outline
