Your RSS group is to prepare a 1-2 page written and typed proposal (one proposal per RSS group) addressed to Dr. David Acker, Associate Dean, Academic and Global Programs, College of Agriculture and Life Sciences, 134 Curtiss Hall.

The purpose of your proposal is to 'sell' Dr. Acker on the idea of providing financial support for our RSS night activities (i.e. remember people 'buy benefits').

For purposes of this assignments, assume:

- 1) The total cost of the meal will be approximately \$1,000 (which includes a 15% gratuity charge).
- 2) We want our industry guests to eat free which means without any additional financial support, each student's fee will be approximately \$20; any monies provided by Dr. Acker will be used to subsidize the total cost of the meal and to reduce each student's fee accordingly
- 3) The meal will be a Hickory Park meal served at Hickory Hall following the presentations on the evening of Dec. 2

Your proposal letter should:

- 1) List, at the bottom, only the names of the members of your group who participate in completing this assignment.
- 2) Be signed by you next to your typed name.
- 3) Include a date at the top
- 4) Provide contact information for your group (how Dr. Acker can respond).
- 5) Give Dr. Acker a desired response deadline of F Nov 20

This assignment is due Oct 30

Only those letter requests submitted to Dr. Acker will earn 10 pts.
