

# Preparation of Case Study

## Scoring

100 Points Possible

Group Preparing: \_\_\_\_\_

Group Presenting: \_\_\_\_\_

Date: \_\_\_\_\_

Score: \_\_\_\_\_

1. Does the case study present an interesting and meaningful ethical scenario?
2. Is the description of the case clear? Does it present a clearly defined set of issues?
3. Are the ethical issue(s) complex enough to warrant a serious study?
4. Is the case study open-ended, allowing multiple interpretations and solutions.
5. Does the case study ask a number of meaningful questions to help the students identify important issues?
6. Are the learning outcomes for the case written in terms of action verbs, doing as compared to just remembering or reciting?
7. Will the group achieve the learning outcomes by analyzing the case according to the given instructions
8. Is the case study well written? Is grammar correct?
9. Overall quality of case study.
