Econ 387
The Economies of China and India

Looking for a course that
- meets the international perspective requirement
- helps impress employers with in-depth knowledge of these emerging world powers
- is non-mathematical
- is team taught by Chinese and Indian faculty
- meets TR 2:10-3:25

Come to learn about what makes these countries tick and what their future means for you and the U.S.

Taught by:
- Dr. J. Bhattacharya
  (4-5886; joydeep@iastate.edu)
- Dr. H. Feng
  (4-6307; hfeng@iastate.edu)
