## POSTER SESSION

# CALL FOR PROPOSALS

**ASSA Meetings - January 3-5, 2009 in San Francisco, CA**

The Committee on Economic Education will sponsor a poster session at the 2009 ASSA Meetings in San Francisco devoted to active learning strategies across the economics curriculum. Instead of papers, session presenters will prepare large visual summaries of their work mounted in an exhibition room to allow presenters to talk directly with participants. Although we encourage presenters to include evidence that their strategy enhances learning, we do not require quantifiable evidence. We suggest that presenters emphasize the originality of their strategy and provide sufficient information so that participants may apply the technique in their own classrooms.

Proposals should describe the teaching strategy and explain how it will be described in the poster.

**Proposals are limited to two pages and are due by 15 May 2008.**

Please send proposals to:
