

**BRT Research Seminar:**  
**The Changing Face of Energy**

presented by:

**Lou Burke**  
**Manager, Biofuels**  
**ConocoPhillips Company**

**Thursday, April 10, 2008**

**11:00 am**

**Alliant Energy – Lee Liu Auditorium, Howe Hall**

Mr. Burke will give an overview of ConocoPhillips (COP), explain the COP corporate perspective on fuels and biofuels, and describe key research directions and pathways in COP's biofuels programs.

*Co-hosted by ISU Bioeconomy Institute  
and ISU Biorenewable Resources & Technology Graduate Program*
