Iowa Renewable Fuels Summit

Hosted by the Iowa Renewable Fuels Association

February 28, 2007

Polk County Convention Center – Des Moines

The **Iowa Renewable Fuels Association (IRFA)** is hosting an **Iowa Renewable Fuels Summit** on **February 28** from 1 – 5 p.m. at the Polk County Convention Complex in Des Moines. Join us to learn the latest on Iowa's fastest growing industry – biofuels.

- Keynote speaker **Governor Chet Culver** will outline his views for renewable fuels in Iowa.
- Renowned economist, **John Urbanchuk with LECG, LLC**, will discuss and release a study detailing the impact of renewable fuels production on the Iowa economy.
- **Food, Feed and Fuel for Tomorrow:** Panelists from around the country will discuss how farmers and technology are changing to meet the various needs of Iowa livestock producers, consumers and biorefineries.
- **The Future is Now:** Learn about new process technologies that will keep Iowa's biorefineries at the forefront of the nation's industry.

Don't miss this opportunity to be part of Iowa's biofuels revolution!

The Summit is Free. Registration Required.

To register, go to info@IowaRFA.org and provide your name, company, address, phone number and email address.
