

Position Opening
Market Department Director
Texas Cattle Feeders Association
Available March 2008

Texas Cattle Feeders Association (TCFA) serves cattle feeders in Texas, Oklahoma and New Mexico. TCFA members produced more than 6.5 million head of fed cattle in 2007, representing approximately 30% of the nation's fed beef supply. Director of the TCFA Market department, assisted by a market analyst, initiates and supervises an extensive and effective market information program for 200 feedyard members in the three-state area, plus 5,000 feeder members.

Specific responsibilities include: daily phone, email, text message and web-based communications with members to gather, generate and disseminate market information and reports; maintain liaison with USDA, Cattle-Fax, CME, CBOT, economists, packers, brokers and others for market information; supervise data collection for several hourly, daily and weekly market reports; develop and maintain statistical and market information data bases; supervise production of market information for weekly association newsletter.

Qualifications: Bachelor's degree in agricultural economics, business or related field with 6 to 8 years cattle market analytical experience or master's degree with 2 to 4 years experience. Competitive compensation package including salary commensurate with experience and strong benefits package. Please contact Ross Wilson at TCFA by calling (806) 358-3681, ext 101 or email resumes to ross@tcfa.org.
