

Assistant Professor: Agribusiness (Position No. 08782)

The Department of Agribusiness and Agricultural Economics at the University of Manitoba invites applications for a tenure-track, Assistant Professor position with a focus on agribusiness/applied economics and related areas such as the economics of food supply chains. Applicants must hold (or expect to complete by start date) a PhD in Agricultural Economics, Economics or Business. The successful candidate will teach at the diploma, undergraduate, and/or graduate levels, and will be expected to develop an internationally-recognized research program. The targeted split is 45% teaching, 45% research, and 10% outreach. This appointment will begin July 1st, 2009 or as soon as possible thereafter.

Applicants for position 08782 should submit a curriculum vitae, summary of teaching experience, transcripts of graduate work and a cover letter that includes a statement of research interests. Candidates should also arrange for three professional letters of reference to be sent directly to the Chair of the Search Committee. Salary will be commensurate with qualifications and experience.

The University of Manitoba, founded in 1877, is a large research institution located on the banks of the Red River in Winnipeg, a city of 700,000 residents. Current enrolment is approximately 24,000 undergraduate and 3,000 graduate students; enrolment in the Department of Agribusiness and Agricultural Economics is strong and has been increasing at both the undergraduate and graduate levels in recent years.

The University of Manitoba encourages applications from qualified women and men, including members of visible minorities, Aboriginal peoples and persons with disabilities. All qualified candidates are encouraged to apply, however, Canadians and permanent residents will be given priority.

Closing date for applications is March 6, 2009.
